Fueler Handler

Job Responsibilities:

Under the supervision of the Ramp Operations Supervisor and FBO Manager, the fueler handler-ramp services agent is responsible for providing all necessary and required fueling and ramp services in a safe and efficient manner as required by the customer to include but not be limited to:

- fueling/de-fueling of aircraft and operation of motorized/non-motorized fueling equipment daily;
- vehicle and equipment inspection, cleaning and maintenance;
- loading, unloading and sorting baggage and/or freight in a safe manner while also achieving on-time departure and arrivals;
- servicing aircraft lavatories, cleaning aircraft, restocking items, keeping ramp tarmac free of debris;
- and providing high-touch customer service to crew and passengers.

We are open 7 days a week. This position requires flexibility and the ability to work either morning or afternoon shift as well as weekends. Hours are 40 hours per week but additional hours may be required per customer demand.

Requirements:

- High School diploma or equivalent
- Basic computer and mobile app skills
- Prior fueling, ramp services and/or aviation industry experience is desired but not required.
- Valid driver's license
- Must be able to pass a criminal background check and drug test
- Must be able to work a flexible schedule, including weekends and holidays
- Ability to work in a time-sensitive, multiple shift, and team-oriented environment
- Must be dependable and able to take direction from supervisors to service the customer safely and on-time
- General math aptitude
- Good command of the English language both verbal and written
- Must have authorization to work in the U.S.
- Must successfully pass all required training before being certified

Physical Demands:

- Ability to work outdoors in all weather conditions. Extreme outdoor conditions may be encountered.
- Must be able to carry 70 pound suitcase from the floor to 18 inches and carry 70 pound suitcase in front of you with both hands for a distance of up to 25 feet; must have physical dexterity sufficient to perform repetitive tasks and motions, including bending at the waist and knees, squatting, kneeling, crawling, twisting and sustaining those positions for extended amounts of time. Must have sufficient vision and ability to safely perform the essential functions of the position.

Competency Requirements:

- Must be well groomed
- Be reliable, responsible and dependable
- Detail oriented
- Maintain composure, avoid aggressive behavior even in difficult situations
- Accept constructive criticism, deal calmly and effectively with high stress situations
- Maintain an attitude of flexibility, able to deal with variety in the workplace
- Willingness to take on responsibilities and challenges
- Able to guide oneself with little or no supervision

Compensation:

\$15 per hour. Complete benefits package including health, dental, life insurance, paid vacation and sick time and 401K with company match.
